HotelsCombined recognizes Skopelos Village amongst the best hotels in Greece

HotelsCombined is a hotel price comparison website that was recently announced as **The Best Hotel Booking Site in 2020 by Frommer's**.

HotelsCombined owned by KAYAK, has selected Skopelos Village to receive the official Recognition of Excellence Award. This selection has come from HotelsCombined's extensive surveys using data from millions of guest reviews for a wide range of accommodation within Greece.

Skopelos Village has consistently produced a high satisfaction rating among guests and travel industry experts.

Skopelos Village now joins an elite group of hotels around the world that have been awarded the HotelsCombined Recognition of Excellence. This exclusive collection of highly-rated accommodations has been chosen using a strict set of criteria such as the quality and consistency of reviews, the absence of recurring or unresolved issues with customers, popularity of the property and of course, the overall resulting score.
